

## COMMUNITY ACTION PLANNING COUNCIL OF JEFFERSON COUNTY, INC.

### Ballot for Low-Income Representation on the Board of Directors

**Nina Hershey** joined the board of directors in December 2005 as a member of the low-income sector. Prior to joining the board, Nina worked as a kindergarten teacher for 19 years. She has participated in virtually every committee of the board and has served as the liaison to Policy Council.

Active in the community, Nina has a keen understanding of the needs of the low-income population through her volunteer service with organizations such as the Rohde Center, Office for the Aging, and South Jefferson Ecumenical Council of Churches.

Nina is the first to volunteer to help out with special projects, events and agency initiatives. She has been instrumental in fund-raising activities, such as the Golfing for Community Action and Just A Buck. Nina has participated in strategic planning, community assessments, self-assessments for the agency and the Head Start program, as well as board self-assessment, and board training. Nina is a dedicated board member and a strong advocate for the customers we serve.
