information

Announcing a unique opportunity to promote children's social emotional competence and preventing and addressing challenging behaviors!

The Pyramid Model also called the Center on the Social and Emotional Foundations for Early Learning (CSEFEL) is a conceptual framework of evidence-based practices for promoting young children's social and emotional competence and for preventing and addressing challenging behavior.

The infant & toddler modules are designed for supervisors, trainers and teachers/home visitors/caregivers who work with infants and toddlers (birth – three years of age).

It teaches life-changing strategies for all who work with young children.
